

tripPlanner::onStartClick

```
graph LR; A[tripPlanner::onStartClick] --> B[tripprogress::on_souvTable_clicked]
```

A diagram showing a call from the function `tripPlanner::onStartClick` to the function `tripprogress::on_souvTable_clicked`. The first function is in a grey box, and the second is in a white box. A blue arrow points from the first box to the second.

tripprogress::on\_souvTable  
\_clicked
